

FRENCH ARE AT GATES OF ROYE, HAVING OCCUPIED THE ADVANCED DEFENSES

They Are Also in Possession of the Junction of Montdidier-Estres-St. Denis Road.

FIERCE FIGHTING AT ST. MARD

At Loges Wood the Germans Are Pushed Back Behind the Roze-Lassigny Wood.

BRITISH ADVANCING AGAIN

Move up on Western Edge of Flanders Salient—U-Boat Bases Are Bombed.

Paris, August 17.—4 P. M.—

The French are at the gate of Roze. They have occupied the advanced defenses of the town south of the Avre river. They have also occupied the junction of the Montdidier-Estres-St. Denis road.

St. Mard has been taken after fiercest fighting from house to house.

At Loges wood the Germans were pushed back behind the Roze-Eassigny wood.

Slow Progress Toward Roze

London, August 17.—Slow but continued progress toward Roze and Lassigny was reported today. French troops are within a mile of both cities.

Camp Decar, a mile west of Roze was captured, while Midian trench less than a mile southwest of Lassigny, was occupied. A number of prisoners and a great quantity of material were taken.

The enemy is reported to be preparing for evacuation of the Roze-Lassigny-Noyon salient. German engineers are said to be constructing another Hindenburg line.

British troops advanced again on the western edge of the Flanders salient, Field Marshal Haig reported.

Concentrating their efforts on the German submarine base at Zebrugge, British aviators dropped 60 tons of bombs on enemy positions during the last week.

Yank Downs Hun Plane

With the Americans in France, August 17.—Capt. Biddle of Philadelphia, forced down a German Hunplane at Nancy yesterday. The pilot was killed and the observer wounded but the machine was captured intact.

American bombing planes again attacked the railway yard near Metz. Several tracks were observed to have been destroyed.

Noyon Is Menaced.

London, August 17.—Roze, the central bastion of the German defense line from Peronne to Noyon, which has withstood allied thrusts for nearly a week, is menaced seriously by advancing French, British and Canadian troops, and its fall would appear to be a probability of the next few hours.

With the town in allied hands, the southern end of the German line undoubtedly would have to retire, although the northern end through Chaulnes to Peronne also would be affected. The allies are only one and one-quarter miles west of the town, while they are pressing eastward in the north and south. The Echo de Paris says enemy pioneers are preparing a new Hindenburg line behind the present front.

Along a front of nearly nine miles north and south of the Avre, which flows through Roze, the allies have pushed back the enemy in stubborn fighting. The most notable advance

FRENCH CRUISER IS SUNK

Thirteen Persons Perish When Dupetit Is Torpedoed

(By United Press.)

Paris, August 17.—The French cruiser Dupetit Thouars has been torpedoed and sunk. Thirteen persons perished. American destroyers rescued the survivors.

The vessel was completed in 1901 and had a displacement of 9,500 tons. The normal complement was 540 men. She was 450 feet long.

APPLIES WORDS OF GOVERNOR MORTON

Gov. Goodrich, Speaking at Home of Indiana Civil War Leader, Refers to Famous Expression

TRIBUTE TO GEN. OMAR BUNDY

(By United Press.)

Centerville, Ind., Aug. 17.—Speaking in the city where O. P. Morton, Indiana's governor during the civil war, made his home Governor James P. Goodrich today referred to Morton's words on peace in the civil war in which he said there were only two ways to end the war—by submission to the destruction of the Union or by submission of the southern states.

"Here again Morton is speaking to every loyal American today," said the governor. "We can have peace only in one of two ways—either by submitting to the will of German autocracy and forever hartering our honor and the right of the free peoples of the world or by crushing that power on the field of battle."

In his address the governor paid tribute to Maj. Gen. Omar Bundy of Newcastle who after the Americans had been forced back at Chateau Thierry, sent word to the French commander, saying that the Americans were going to counter attack, "and counter attack they did," he said. "The defeat was changed into victory and from that hour the initiative is with the allied army."

MAY BE ON FIRST LAP OF JOURNEY TO FRANCE

Rush County Men in 84th Division at Camp Sherman, O., Preparing For Embarkation

3 LOCAL OFFICERS IN 334TH

With the issuing of overseas equipment, identification cards and other necessities for foreign service, the rumors to the effect that the entire 84th infantry division of Camp Sherman, Chillicothe, O., is about to embark seems to hold more truth than the usual "snow" which prevails about army camps.

Capt. Perry Oneal, Lieut. Harry Petry and Lieut. Ivan Coyne, Rushville officers in the division and members of the 334th infantry regiment, are leaving the Ohio camp in addition to the scores of Rush county infantrymen, who are in training there, being sent to that camp early in the summer from Camp Taylor, Ky.

The local officers are believed to have left the camp Thursday, Aug. 15 and the date of the first step in their final lap to France also marked the first anniversary of their admission to the United States reserve officers camp, their commissions being issued from the first officers training camp at Fort Harrison on the same date in 1917.

Although numerous Rush county officers have gone into service overseas, most of the number include medical men, and the three Camp Sherman officers will be the first graduates of the first officers training camp.

2 VACANCIES IN COUNTY SCHOOLS

Positions on Faculties of Arlington and Manilla High Schools Yet to be Filled

A SHORTAGE OF TEACHERS

All Township Schools With Exception of Those in Noble, Will Open Monday, Sept. 2

With the exception of one vacancy in the Arlington high school and another in the same department of the Manilla school, everything is in readiness of the opening of the schools through Rush county.

Despite the fact that the schools in Rushville city will not begin work until Sept. 9, with the exception of one Township, the schools in the rural districts will open their fall and winter program of work in two weeks, and the morning of Sept. 2 will find teachers and pupils at their posts for the opening term.

The fact that numerous teachers who had charge of various departments in the county last year have entered other branches of work and did not apply for teachers positions for the 1918-1919 term, has made it extremely difficult for C. M. George, county superintendent, to supply the county with the required quota of teachers. Although early in the summer the matter assumed a rather critical attitude, he has succeeded in filling every vacancy with the exception of two and with several prospects in view, these places will doubtless be filled before the end of the coming week.

The Noble township schools will not open until Sept. 9 but because work on the farms will have reached the stage where the school boys can be spared, the school program in other parts of the county will open September 2 in order that the term work may be completed as early as possible next spring, and the much needed assistance on the farms may be available.

GOLD STAR WILL BE ADDED TO THE FLAG

Memorial Service For Elbert H. Cox, Who Was Killed in Action, at First Baptist Church

JUDGE W. M. SPARKS TO SPEAK

The second gold star will gleam from the service flag of the First Baptist church tomorrow in memory of Elbert H. Cox, who has made the supreme sacrifice on the battlefields of France.

The memorial service which will be conducted at the church at eleven o'clock tomorrow morning, will be the first honoring the memory of a member of the church to lose his life on the European battlefield. The service will be conducted by the Rev. C. J. Bunnell, with the memorial address delivered by Judge Will M. Sparks.

The ceremony which will mark the adding of another gold star to the flag, will be a most impressive one and numerous prominent local speakers will appear on the program. The first gold star which was placed in the white field of the flag is in memory of Lieut. Walter Gartin who died in this country early in the spring.

TWO HUN U-BOATS SUNK

Paris, August 17.—President Poincare, after witnessing the demolition of an American submarine at French port today, was told that two German submarines had just been sunk.

NINETY CASUALTIES LISTED

War Department Reports Shows 17 Killed in Action; 31 Wounded

Washington, Aug. 17.—The army casualty list today shows: Killed in action, 17; died of wounds, 1; died of accidents and other causes, 2; wounded severely, 31; wounded, degree undetermined, 20; missing in action, 19; total, 90.

Losses listed were: Pliezo Tsotras, Indiana Harbor, killed in action; Frank J. Spychauski, South Bend, missing action; Guy E. Pritchett, Logansport, wounded severely; Oliver Whitt, South Bend, wounded severely.

MAN KNOWN HERE IS KILLED BY LIGHTNING

O. P. Hollingsworth, Brother-in-Law of Mrs. J. M. Watson, Meets Death During Storm

RELATIVES GO FOR FUNERAL

Oliver P. Hollingsworth, age seventy years, of New Augusta, Ind., a brother-in-law of Mrs. J. M. Watson of near this city, was killed by lightning during the thunder storm late yesterday afternoon. He was well known in this county.

Hollingsworth had been working about the yard and sought shelter from the storm in the barn. He was standing in the doorway when the lightning struck the gable of the roof. It cut a furrow through the shingles, split the weather boarding at the side of the door and struck Hollingsworth on the head. Killing him instantly. Dr. Richard A. Poole, Marion county coroner, investigated.

Hollingsworth is survived by the widow, a son, Arthur, who is in the aviation service, stationed at the Indianapolis speedway, and two daughters, Runy, age sixteen, and Mrs. Nellie Saylor.

Mrs. Watson and daughter Violet and Mr. and Mrs. Emmett Fegley went to Indianapolis today to attend the funeral, which will probably be held tomorrow. Mrs. Fegley is a niece of Mr. Hollingsworth.

A. R. HOLDEN IS HIT BY TRABUE MACHINE

Sustains Serious Injuries When Knocked From His Bicycle and Dragged Several Feet.

LIGHTS BLIND CAR DRIVER

A. R. Holden sustained serious injuries last night when the bicycle he was riding was struck by the automobile driven by Samuel H. Trabue, throwing him from the wheel and dragging him down the brick pavement for more than twenty feet.

The accident occurred shortly after ten o'clock at Seventh and Main street. Both Mr. Holden and Mr. Trabue were traveling south on the street when the accident occurred. The driver of the automobile stated that the glare from the bright lights of a north-bound machine blinded him and he did not see the bicycle rider, who was in the path of the machine, and did not know he had struck him until he had dragged him several feet.

Mr. Holden was badly bruised and sustained numerous cuts. The top of his head was cut, his shoulders,

arms and hips bruised as the result of being dragged over the pavement. The bicycle which he was riding was entirely demolished. A. R. Holden, a marriage license has been issued to him and Blanche Hinton.

ELLIOTT SPEAKS TO PARTY WORKERS

Sixth District Representative Will Likely be Unable to Conduct Campaign This Fall

GOES TO WASHINGTON MONDAY

Poll Books Are Issued to Precinct Committeemen, Who Are Asked to Get Soldiers Names

Congressman Richard N. Elliott addressed a meeting of precinct committeemen and republican party workers at the office of the county chairman, Fon Higgs, last night. Poll books were placed in the hands of the committeemen and they are urged to list all soldiers in their precincts for the benefit of the state committee appointed by Governor Goodrich which will endeavor to register for voting next fall every Indiana soldier in training in this country.

Congressman Elliott told the party workers that he would have to return to Washington Monday, because of the important war legislation to be considered, and that he would doubtless be unable to make any campaign in the sixth district this fall. He said congress would very likely be in continuous session, at least until September 28, when by agreement of both parties, no political speeches will be made until the Fourth Liberty Loan bonds are all sold.

Congressman Elliott showed by the records of the votes of congressmen of all war legislation, that the republicans rather than the democrats had supported the president in larger numbers on his war program.

"Yet the democratic party," he said, "is claiming credit for the successful prosecution of the war. This is not a war of the democratic or republican party. It is a war of the American people and should be fought as such by their representatives in congress doing all in their power to support the war program."

Representative Elliott pointed to the fact that more than a hundred republican representatives voted for essential changes in the conscription law as advocated by President Wilson, and that more than a hundred democratic representatives voted against the changes urged by the president.

The sixth district congressman recalled that Representative Julius Kahn, a German Jew republican from California, led the fight on the floor of the house of the conscription bill, instead of Chairman Dunt, of the house military affairs committee, a southern democrat, whose duty it was to espouse the cause of the administration measure.

Congressman Elliott also pointed to the fact that thirteen southern states, by holding the preponderance of power on the ways and means committee, are dictating the preparation of the eight-billion-dollar revenue measure, but that these states pay only a little over four per cent of the taxes.

Representative Elliott also cited as proof of the control of the southern states over congress, the fact that the price of the farmers wheat had been regulated, but that cotton, a southern commodity, was being sold on an unregulated market, which has resulted in the price of cotton-made goods being increased three or four times over their pre-war value.

Congressman Elliott recited numerous instances to show the incompetency of "deserving democrats" in Washington who are on the payroll. He also recalled circumstances the first year of the war when the most flagrant extravagance was practiced.

Don't Worry!

You needn't worry any more over what to eat or where to find it. It is right here in our store. We always make a point of getting the BEST and freshest groceries to be had.

Come in and talk it over with us and you'll worry no longer.

An Engine Is No Better Than Its Cylinders and Pistons

You don't have to send your Ford out of the City to have it Re-bored.

Having recently installed in our shop a new machine for re-boring Ford motors we wish to call your attention to the fact that we are now prepared to re-bore and fit new over-size pistons and rings in your Ford motor.

These are the results you obtain by re-boring

You increase power from 10 to 50 per cent.

You eliminate that elusive knock.

You stop the escaping gas around piston rings which abnormally heats the crank case.

You stop the admission of auxiliary air past the piston rings which dilutes the mixture.

You use less lubricating oil.

You use less gasoline.

You drive slower on high gear.

You take hills with perfect ease and grace.

You attain greater speed on level.

You eliminate the over-heating.

You stop fouling your plugs.

Our Price is Reasonable.

Bring in your motor and let us fix it up.

ADMINISTRATOR'S**Sale of Personal Property!**

Notice is hereby given by the undersigned, administrator of the estate of Bert P. Leisure, deceased, that on

MONDAY, AUGUST 26, 1918

beginning at 10:00 o'clock a. m. on the premises, he will sell the personal property of said decedent at public sale. Said sale will be held at what is known as the John Conaway farm, 3 miles north of Arlington, on the Arlington and Carthage pike, 4 miles south of Carthage. The property to be sold includes the following:

8 Head of Horses

One team of sorrel draft geldings, 3 and 4 years old, well broke, weight about 2800 lbs.; 1 brown mare, 12 yrs. old, wt. about 1100 lbs. bred, season to follow colt, good farm animal; 1 brown mare 6 yrs. old, good worker, extra fine animal, weight about 1400 lbs.; one brown mare, 6 years old, weight about 1600 lbs., bred, season to follow colt; one bay filly 3 years old, sired by Western Horseman, broke to halter; eligible to register; 1 dark bay 2-year-old filly, general purpose, unbroke; 1 gray filly, yearling, draft, good animal; 1 weanling draft colt, good prospect.

7 Head of Cattle

3 Shorthorn milk cows; all will be giving milk by day of sale, ages 12, 4 and 2 years, extra good quality. 1 Jersey cow, good milker, 4 years old; 1 Shorthorn yearling heifer; 1 Shorthorn spring calf; 1 mixed spring calf.

33 Head of Hogs

8 brood sows, most of them due to farrow before day of sale; 24 spring shoats, weighing about 75 pounds.

CORN AND OATS—About 20 acres of corn in field. About 600 bu. oats.

IMPLEMENTS—2 good farm wagons, mower, planter, 6 sets work harness, carriage and harness, spring wagon, wheat drill, new double disc harrow, Scotch harrow, spring-tooth harrow, roller, two one-row cutters, two riding breaking plows, one walking breaking plow, hay rake, also one Davis acetylene plant in good working order, also a lot of simple tools, forks, garden tools, etc., too numerous to mention.

TERMS—All sums of \$5.00 or under, cash; sums over \$5.00 a credit until March 1, 1919, without interest, purchaser giving note with surety as provided by law.

JOHN J. CONAWAY, Administrator.

GRASSHOPPERS MORE NUMEROUS THAN USUAL

Strip Whole Corn Fields and Eat Young Clover and Grass, Causing Great Damage.

BORE INTO EARS OF CORN

Grasshoppers have been swarming in Rush county this summer and are doing more damage than in any summer for many years. Whole corn fields have been stripped and heavy losses have been entailed by farmers through their invasions.

Corn and stubble fields where the young clover is getting a start, are their choice meal tables. A number of corn fields in the county look barren by reason of the attacks of the grass hoppers. They strip the corn stalk of every leaf and in some instances bore into the ears of corn. They have damaged the young clover considerably, but it will recover, farmers say, if the rains of last night and today continue. Grasshoppers have also swarmed in the pasture lands and have damaged the grass crops to a great extent.

HELPED STOP THE HUNS AT THE MARNE

Private Jerome Caron Writes of Engaging in Big Battle When Germans Attacked in July

PARTICIPATES IN 3 BATTLES

Jerome Caron, son of Mr. and Mrs. Charles J. Caron of this city, helped stop the Germans some place along the Marne in the big Hun offensive about July 1, according to a letter received from Private Caron this morning. The letter was written July 20 just after Private Caron had come from a long period of service in the front line trenches.

"The good Lord was with us or we would never have come out of it alive," wrote the young machine gunner, describing the ferocity of the attack. He said shells were falling everywhere. Private Caron said that he lost his pocketbook containing some pictures of his parents and sister during the battle.

Private Caron has been engaged in three battles, according to his letter, and even now is probably back on the front line again.

1,095 COMMISSIONED AT ARTILLERY SCHOOL

Ten Thousand Soldiers Witness Ceremony When Commissions Are Awarded Today.

THREE LOCAL BOYS IN SCHOOL

Camp Zachary Taylor, Louisville, August 17.—Before 10,000 soldiers and citizens, 1,005 candidate officers received their commissions as second lieutenants of field artillery at the first graduation exercises of the field artillery central officers' training school today.

Major-General William Snow, chief of the artillery service of the United States, and Lieutenant-Colonel Arthur Carter, school commandant, were the chief speakers.

General Snow announced the official name of the cantonment being erected at Stithton, Ky., will be known as Camp Knox, after General Henry Knox, first chief of artillery under Washington.

Discussing the future of Camp Knox he said it will have from 40, to 50,000 men in training.

He said there would be an aviation squadron stationed there, which would be used in the aerial observation and direction of artillery firing.

Three Rush county boys were in this officers training school. Stanton McBride and Paul Koons, who left here with Company B, along with Lawrence Cameron, tried for commissions.

Dr. P. H. Chadwick, who was commissioned a first lieutenant a year ago, has received word that

Willard STORAGE BATTERY SERVICE STATION**Why Worry About Insulation?**

There's only one time that you ought ever to think about insulation—that's when you buy your battery.

Right then is the time to remember that Threaded Rubber Insulation is the most important battery improvement in years—and the greatest trouble-saver.

Remember that it can be had only in the Still Better Willard Battery.

You'll know the Still Better Willard by the Mark that stands for Threaded Rubber Insulation.

Come in and ask about this battery; and get a copy of the booklet "A Mark with a Meaning for You."

Insists That Frail, Nervous Women Can Speedily Become Strong and Vigorous

A Vigorous Healthy Body, Sparkling Eyes and Health-Colored Cheeks Come in Two Weeks, Says Discoverer of Bio-feren.

World's Grandest Health Builder Costs Nothing Unless It Gives to Women the Buoyant Health They Long for.

It is safe to say that right here in this big city are tens of thousands of weak, nervous, run-down, depressed women who in two weeks' time could make themselves so healthy, so attractive and so keen-minded that they would compel the admiration of all their friends.

The vital health building elements that these despondent women lack are all plentifully supplied in Bio-feren.

If you are ambitious, crave success in life, want to have a healthy, vigorous body, clear skin and eyes that show no dullness, make up your mind to get a package of Bio-feren right away.

It costs but little and you can get an original package at any drugist anywhere.

Take two tablets after each meal and one at bedtime—seven a day for seven days—then one after meals till all are gone. Then if you don't feel twice as good, look twice as attractive and feel twice as strong as before you started, your money is waiting for you. It belongs to you, for the discoverer of Bio-feren doesn't want one penny of it unless it fulfills all claims.

Write to Physicians: There is no secret about the formula of Bio-feren. It is printed on every package. Here it is: Lecithin; Calcium Glycero-phosphate; Iron Peptonate; Manganese Peptonate; Erit. Nur. Yomic; Fowd. Gentian; Phenolphthalein; Oleoresin Capsicum; Kolo.

PROTESTS SINKING

Christiania, August 17.—The Norwegian government has protested to Germany against the torpedoing and sinking of the large government cargo steamer Somerstad off New York harbor a few days ago. The members of the crew are reported missing.

MUST HAVE CORSETS OR WAR STOPS RIGHT NOW

London, Aug. 17.—Corsets are war essentials.

During the hearing of an appeal before a local tribunal on behalf of 3 men by a firm making steels for corsets it was stated that the ministry of munitions had recognized that to get efficiency in work from women munition workers it is necessary to see that they have corsets, and despite great scarcity of steel, had released 1500 tons for making corsets.

The men were granted 6 months' exemption.

Lots of folks who never were able to get ahead before are finding the way easy since War Savings Stamps became the rage.

SERGEANT STARKS ON A WINNING TEAM

Anderson Township Boy One of Signalmen Setting a New Record at Fort Dodge, Iowa

BETTER THE TIME 4 SECONDS

Sergeant Sanford Starks of Fort Dodge, Ia., son of Mr. and Mrs. E. F. Starks of Anderson township, has set a new record for sending and receiving signals at the Fort Dodge camp.

Sergeant Starks is a member of the officers training school there and was a member of a team which sent and received six combinations of five letters each in the remarkably short time of fifty-six seconds. The sending and receiving distance was approximately one mile. As the government test only calls for the sending and receiving of three combinations of five letters each within the space of sixty seconds, the record of the winning team is double the required number of letters or combinations sent and received without error, which was accomplished in four seconds less than the given time.

CHURCH PREPARES FOR HOME COMING

Churchmen Make Arrangements For Annual Gathering of Former Ministers and Church Members

REV. C. S. BLACK ON PROGRAM

The annual home coming services of the New Salem Methodist church will be conducted the last week in August according to the program arranged by Rev. T. J. Anthony, pastor.

The services are annual affairs and have become an occasion when all former ministers of the church and members who have gone elsewhere for residence return for the affair which will last through the week of August 25.

Rev. Clyde S. Black pastor of the St. Paul's Methodist church, will deliver the opening address at the initial service which will be held Sunday evening Aug. 25. Rev. Black had charge of the New Salem pastorage several years ago and at the same time conducted the church work in Glenwood.

LIEUT. INLOW CALLED.

Lieut. William D. Inlow, who was recently commissioned in the United States medical corps, has been ordered to report for training at Camp Meade, Md., Aug. 25. Lieut. Inlow was a member of the physician's staff at the Cook county hospital in Chicago until he received a call to the service a short time ago and is at present on a short absence leave in this city.

ARTILLERY SCHOOL OPENS

Camp Taylor, Ky. Aug. 17.—Civilians who have been accepted for the field artillery school started reporting today to begin their training. The men will be assigned to observation batteries for several weeks in order that they might brush up on mathematics or other such work before beginning their active training work. Only civilians above draft age have been accepted for the school.

French Are at Gates of Roye Occupying Advanced Defenses

Continued from Page One
in the center by French and Canadian troops, who are fighting on a line through Goyencourt, St. Margles-Trio and Lancourt. St. Mard is west of Roye, and there are no villages in the intervening mile and a quarter.

French troops on the south have forced their way to the eastern outskirts of Loges wood, which borders the Roye-Lassigny road on the west. The wood is five miles directly south of Roye, and it would appear that a further advance might enable the French to outflank both Roye and Lassigny, and force the Germans to readjust their lines eastward toward Noyon, and probably beyond. Two strong German attacks were repulsed northwest of Ribecourt. North of Goyencourt, British forces, after having repulsed an enemy attack on Demery, in which 250 prisoners were

captured, are pushing eastward with French units toward Franzart and Fresnoy-les-Roye.

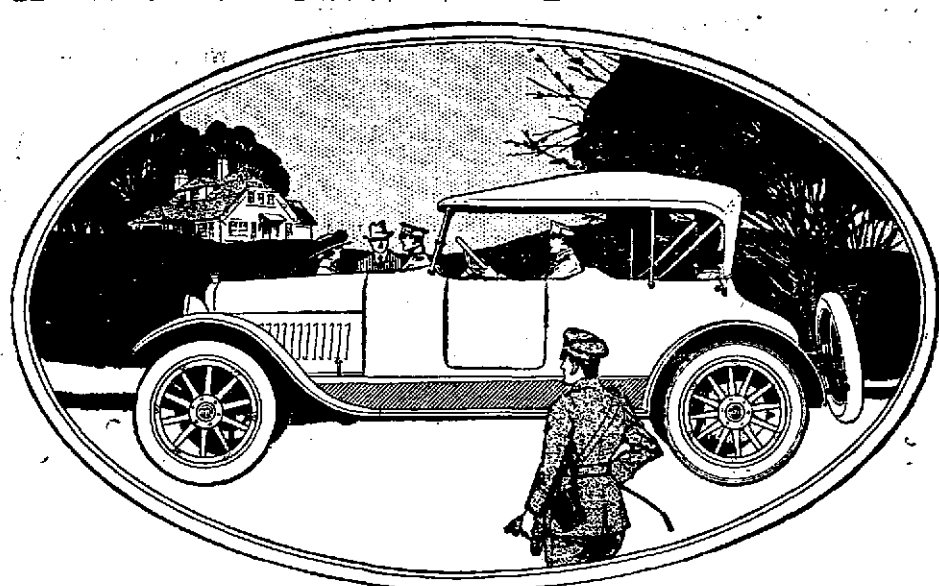

Additional progress is reported today by Field Marshal Haig, who says the British lines have been pushed eastward north of the Amiens-Roye road and north of the Ancre. British troops have gained further ground in the neighborhood of Vieux Berguin at the apex of the Breslethens.

TO NAME SHIP CONNERSVILLE
Connersville, Ind., Aug. 17.—Word has been received by the Connersville Chamber of Commerce from Mrs. Woodrow Wilson that one of the government ships now under construction will be named the "Connersville" in recognition of the fact that Fayette county was the first county in the country to reach its quota in the second War Savings Stamp drive.

GUY MCBRIDE OVERSEAS
Mr. and Mrs. Frank McBride of Mays received word today that their son, Guy McBride, formerly cashier of the Mays bank, had arrived safely overseas. He entered military training at Fort Harrison May 17 and on July 23 left for Camp Merritt, N. J., embarking soon afterwards. He is a grandson of Mr. and Mrs. Sam Yarnall of this city.

CHANDLER SIX

Famous For Its Marvelous Motor

A Great Automobile At Moderate Cost

NEARLY fifty thousand Chandler owners know how powerful and responsive, how economical, how dependable and enduring the Chandler car is.

"Greatest of all light sixes" never more accurately described the Chandler than it does today. If you wished to search the whole market with minute comparisons and tests this would be your answer, too.

In the ownership of a Chandler Six you will possess a really great automobile—great from the standpoint of mechanical excellence and daily performance under all road conditions, great from the standpoint of economy in operation and maintenance. Thousands of Chandler owners tell of gasoline mileage of fifteen to seventeen miles per gallon. Seven thousand to nine thousand miles per set of tires is the usual Chandler report. Owners and dealers alike say the service upkeep of the Chandler car is much less than that of other good cars which they have owned or sold.

Beautifully designed and finished bodies are mounted on the famous Chandler chassis.

We Must Carry On.
The sugar campaign comes on us suddenly. Revised accounts of losses and resources and new statement of need which we are in honor bound to meet compel a sharp change in program. We must act quickly—what is not well begun in the next six weeks will not be done at all.

THE SUCCESS OF THIS PROGRAM RESTS ON THE HONOR AN CO-OPERATION OF THE AMERICAN PEOPLE. What are they doing now? We hear of people going from store to store, trying to double their portion over and over. They don't realize they are trying to beat the game. That is failure of the program.

How was it in the wheat campaign? People everywhere vying with one another in zeal to play the game. That was success.

Our success in the wheat campaign literally held the allies together through the spring and summer. It did more than any other thing to give them comfort and courage until the tide turned last month. It did more than any other performance of ours to establish American credit until the splendid part our troops took in the second Marine battle.

Again we are called upon to share with those who sit at the common table. It is challenge of war conditions to our humanity, our civility and our worth. This time we are required not to employ a substitute for necessary food, but to give up an indulgence.

Shall we succeed? Ask yourselves. Would we do it if it was to share with a sick family next door instead of stricken neighbors across the sea?

We can if we will. We will if we realize. But the time is short. The background of the wheat campaign was six months building, but the sugar campaign must be put through in six weeks—or fail. It is the second large test of the twelve million food administration membership. They look to you—they trust you. Get the situation home to them and **THEY WILL PLAY THE GAME.**

We claim the right to share with the allies. Let us give Mr. Hoover, now sitting in the allied food council, fresh warrant to assure the nations that America will make good. Let us send by every ship substantial tokens of support to our boys over there from an American worth dying for.

The Food Administration appeals with confidence to you.

President For War-Time Schools
President Wilson urges generous support for schools of all grades during war time. In a letter to Secretary Lane approving the Bureau of Education's plan for an educational campaign this summer and fall he says:
"I am pleased to know that despite the unusual burdens imposed upon our people by the war they have maintained their schools and other agencies of education so nearly as their normal efficiency. That is the moral of the war."

NEED OF PREVENTING SMUT IS EMPHASIZED
Demonstration is Conducted at Chas. Reeve Elevator by J. A. McCarty of Purdue.

ANOTHER ONE BEING PLANNED
The necessity of treating with great carefulness each portion of a wheat field which has been exposed to smut, was emphasized yesterday afternoon at the wheat smut demonstration at the Charles Reeve elevator in the northern part of the county.

The meeting was attended by farmers from all parts of the county where the wheat was blighted by smut during the closing season. J. A. McCarty of the soil and crop department of Purdue university was present and conducted the demonstration, assisted by Marion Detrick, county agent.

Mr. Detrick who declared that there is nothing which threatens the county's wheat crop as the smut has done during the past few seasons, is placing the necessity of smut precaution before the agriculturalists of the county with as much stress as possible and is preparing for a county wide smut demonstration for next Saturday if the desired demonstrator can be obtained for that day. The demonstration will be staged on one of the large centrally located farms of the county which may be easily reached by those men desiring to attend the session.

THIS DAY IN THE WAR
Aug. 17, 1917
Canadians gain ground in Loos-Lens region.
Aug. 17, 1916
British repulse six counter-attacks northwest of Pozieres.
Aug. 17, 1915
British transport Royal Edward sunk in Aegean sea by German submarine, with loss of about 1,000 men.
Aug. 17, 1914
Belgian capital moved, to Antwerp.

law will permit, there should be no falling off in attendance in elementary schools or colleges is a matter of the very greatest importance, affecting both our strength in war and our national welfare and efficiency when the war is over. So long as the war continues there will be constant need of very large numbers of men and women of the highest and most thorough training for war service in many many lines. After the war there will be urgent need not only for trained leadership in all lines of industrial, commercial, social and civic life, but for a very high average of intelligence and preparation on the part of all the people. I would therefore urge that the people continue to give generous support to their schools of all grades and that the schools adjust themselves as wisely as possible to the new conditions to the end that no boy or girl shall have less opportunity for education of all its people. I approve most heartily your plans for making through the Bureau of Education a comprehensive campaign for the support of the schools and for the maintenance of attendance upon them, and trust that you may have the cooperation in this work of the American Council of Education."

The use of horse flesh for human consumption in France has greatly increased. Last year more than 70,000 horses were killed for food in Paris, all of which is a good reason for sending more beef across the seas.

Our laboratories are successfully making many drugs and chemicals which we formerly could procure only from Germany. And the products are receiving good American names too.

The Russian czar has a remarkable way of coming to life. We suspect that the reports of his death (like that of Mark Twain) were greatly exaggerated.

There is nothing wrong with either the morale or the morals of the American people.

It's Too Hot To Write Ads
However, we are on the job just the same from six a. m. to six p. m. each day. Our stock is complete with hot weather foods as well as the more substantial necessities.
If you want something a little different, come down and look us over—you'll be sure to find something that you hadn't thought of. Don't overlook our cake—we get it from Stone of Cincinnati—Five kinds baked according to Food Administration regulations.

ESSENTIAL WAR WORK IS URGED

Federal State Labor Director Announces Recruiting of Unskilled Labor Will Begin

EXPLAINS ESSENTIAL WORK

Farms in War Work to Extent That They Are Protected From Recruiting Program

An appeal for everyone to engage, if possible, in essential war work, was issued today by L. C. Huesmann, federal state labor director, in anticipation of the campaign for the recruiting of unskilled labor, beginning about August 21st.

Mr. Huesmann, acting in accordance with the policies of the United States department of labor, has announced his purpose to begin recruiting labor for war work first in such of the 108 districts in Indiana that have failed or neglected to organize their Community War Labor boards as requested prior to the inauguration of the new policy of federal control of the unskilled labor supply, August 1st.

In all fourteen employment offices have been established in Indiana, for the execution of the federal program. These offices are located in Anderson, Muncie, Marion, Lafayette, Connersville, South Bend, East Chicago, Fort Wayne, Terre Haute, Evansville, Indianapolis, New Albany and Richmond.

Quoting an official bulletin from the department of labor Mr. Huesmann stated today that for the purposes of the centralized war labor recruiting program "war work" means:

1. Manufacture of products or the erection of structures directly or indirectly supplied to some department of the Government for use in connection with the war. "Indirectly supplied" includes goods delivered under subcontracts to government contractors.

WANTED—One boiler 20 to 30 horse power. Must be in good condition.
POLK SANITARY MILK CO.

STANDARDIZATION KEYNOTE OF MEET

To Make Sunday School Work of County Uniform Was Theme of Annual Convention

HELD AT GLENWOOD FRIDAY

Mrs. Benton Henley of Carthage is Elected President—Next Meeting at Walnut Ridge

To strive for a standardization of Sunday school work during the coming year in all departments and all Sunday schools of the county, formed the discussion at the closing session of the Rush county Sunday school association which was held in the Methodist church in Glenwood last night.

Mrs. Benton Henley of Carthage was elected president of the association, Will M. Sparks of this city was named first vice president; Miss Elsie Chappell of Carthage, secretary-treasurer; Mrs. George Hogsett of this city, secretary of the Young Peoples work, and Arrie M. Taylor, secretary of the educational department.

A slight change was effected in the outline of work for the 1918-19 program and the primary departmental work has been changed to the heading of Young Peoples work, has taken in the primary and part of the intermediate branch. Mrs. George Hogsett is arranging a program of Sunday school work for the children of the county for the winter which will go far to standardize every primary and intermediate department of work in the county.

H. C. Flint, superintendent of the St. Paul's Methodist Sunday school of this city and the Rev. Clyde S. Black, pastor, attended the closing session of the convention last night and co-operated in drawing up the plans for a uniformity in the county Sunday school work.

The next annual meeting of the organization will be held at the Walnut Ridge church in Ripley township in August 1919.

TO COMBINE ON CAMPAIGN

Four Organizations, Including Y. M. C. A. to Open Drive Nov. 11

Indianapolis, Ind., August 17.—Notice was received today by the Indiana State Council of Defense from Arthur H. Fleming, chief of the states section Council of National Defense, to the effect that a mutual agreement has been effected whereby the Young Men's Christian Association, the Young Women's Christian Association, the American Library Association and the War Camp Community Service will combine in a drive for funds starting November 11. The information also states that the Knights of Columbus, Jewish Welfare Board and the Salvation Army will combine in a

LIFE NOW WORTH LIVING

Illinois Lady Says Cardui Wrought Great Change in Her Health.

Paris, Ill.—Miss Lydia Arbogast, of this place, writes: "When I was 16 years old... I was small, very small for my age. I had a bad color—had the sick headache all the time. Just dragging through school... I didn't feel like going to school and my mother and I were worried about myself, for I felt I couldn't stand that condition longer. Hardly cared to live.

After taking a few bottles of Cardui, I saw a great change in my health... my color fine and I began to grow... I got well and strong. I was a different girl and have been ever since. I give Cardui all the praise, and had there not been a change in me when I first began Cardui, I couldn't have lived... The headache gradually disappeared as my health was built up and life became worth living."

Card-u-i, the woman's tonic, purely vegetable, safe, gentle and reliable in its action, has helped many women in the past 40 years, and should do the same for you. If you suffer from womanly troubles, try Card-u-i. NCB-11

BEST LUNCH AND MEALS
Madden's Restaurant
183 West First Street

Honoring Miss Lillian Bell of Huntington, West Va., who is spending the month here a party of young people will entertain this evening with a steak roast. The guests include the Misses Dorothy Sparks, Dorothy Frazee, Marie Clark, Katherine Wooden, Dorothy Mulino, Katherine Giffin, Esther Anderson, Lois Reeve, Helen Frazee, Marjorie Thomas, Donald Benner, William Kelson, Alfred Norris, Norman Reed, John Tompkins, Wilbur Cox, Bruce Carr, Harry Schmalzel and Ralph Martin.

Honoring Mr. and Mrs. Omer McKibbin, a miscellaneous shower was the feature of a delightful evening social affair for which Mrs. E. W. McKibbin of Arlington was hostess Thursday evening. A pleasant informal evening was enjoyed by the guests, at the close of which a daintily appointed luncheon was served. Guests from out of the county who attended the affair were Miss Helen Caldwell of Decatur, Ill., Mr. and Mrs. George Morris of Zanesville, Miss., and Mrs. Bert Chew and daughter of Lightsville, O.

Miss Nellie Clingman, daughter of Mr. and Mrs. John T. Clingman and William L. Abernathy, son of Mr. and Mrs. J. R. Abernathy of this county, were married this morning at the Main Street Christian church parsonage by the Rev. L. E. Brown. The service was performed at ten o'clock, immediately after which Mr. and Mrs. Abernathy left for a short wedding trip. They will return to this county for residence.

Miss Bertha Whitton, daughter of Mr. and Mrs. Gordon Whitton, and Mitchell Hamon, son of Mr. and Mrs. Luther Hamon, both of this county, were married at the Main Street Christian church parsonage this afternoon at two o'clock by the Rev. L. E. Brown. They will make their home at Dublin, Wayne county.

Invitations have been issued to the Psi Iota Xi sorority benefit dance to be given in Greensburg next Tuesday evening. Numerous Rushville people are planning to attend the affair at which the musical program will be furnished by the Greensburg jazz orchestra.

Honoring Miss Edna Comstock of Shelbyville who has spent the week in this city, Miss Mary Louise Bliss

entertained at her home in North Perkins street yesterday with an informal one o'clock luncheon.

Amusements

Circus Well Organized City.

Early in the morning on Wednesday, August 21—a well organized city will move into Rushville for a day's visit, and at the conclusion will fold its tents and silently move on to entertain thousands the next day elsewhere. This city is the John Robinson circus, the oldest of them all, and one that is distinctly of the twentieth century size and quality.

The John Robinson circus has made its field of range in the west and south for many years, but this season it broke from its established territory and visited New England and middle west. It is the first time in ten years the circus has ever been on the North Atlantic coast. Hence it may be said that it comes practically as a new show except for its name.

The menagerie with the circus has always been famous for its size and quality, and in it this season may be found more rare specimens of wild animals than can be found with any other circus in the world.

The performance has been most favorably criticised wherever it has been, and the work and experience. The circus will give two performances here. These will be preceded by the big street parade, one of the handsomest pageants ever presented by any circus. On show day tickets will be on sale at Pitman and Wilson's drug store at the same prices charged at the grounds.

Alice Joyce at Princess

The story of a girl's fight to live down sin is told in one of the new pictures featuring Alice Joyce, which will be shown at the Princess theater this evening in addition to a comedy full of amusing situations in which "Smiling Bill" Parsons takes the leading role. "The Widow's Might" is the title of the photoplay which is filled with wit and humor. A picture of childish ingenuity, thrills, comedy and a current of sterling patriotism will be featured Monday evening when the leading role is taken by Baby Marie Osbourne in "Dolly Does Her Bit." On Tuesday Jack Pickford will star in "Mile A Minute Kendall."

SEN. GALLINGER DEAD

Franklin, N. H., Aug. 17.—Jacob H. Gallinger, United States senator of New Hampshire, died at a hospital here early today. Senator Gallinger was a Republican and eighty-one years old.

Days Pickings
Martin Kelly has sued Dagler Brothers in the circuit court on a note, demanding \$400.
Emery A. Jarrett has filed a quiet title suit in the circuit court against Rosa Sklower and others.
Frank Carpenter has filed suit in the circuit court against Paul Daubenspeck for wages, demanding \$300.
Mary Dobyns, daughter of Mr. and Mrs. Charles Dobyns, living northwest of the city, underwent an operation yesterday for appendicitis.
Thomas K. Mull, as administrator of the estate of Nancy M. Emmons, deceased, has filed a petition in the circuit court to sell real estate to pay debts, making Isaac Strode and others the defendants.
J. Herman Sampson, instead of Clarence Sampson as stated yesterday, went to Indianapolis Thursday with the increment of three Rush county selected men to take up training in a school for military mechanics.
